

COMPANY PROFILE

ELECTRICAL & CIVIL CONTRACTING SERVICES GOV, PSU & Telecom Companies.

Business Verticals

[Overview](#)

Telecom Infrastructure

End-to-end tower foundation, structural erection, DG sets, and OFC laying for major telecom leaders like Indus, Jio & Vi.

EB & Electrical Sector

Substation civil & electrical setup, HT/LT cable laying, panel board installation, transformer commissioning, and power distribution.

Railways

commercial building civil construction, heavy structural fabrication, earthwork, and machinery deployment.

Company Overview

[About Us](#)

Our Core Mission

Delivering high-reliability, time-bound turnkey contracting solutions across multi-disciplinary engineering domains with strict adherence to quality and safety standards.

Proven Track Record

Demonstrated capability in completing complex site rollouts for premier telecom operators, electrical boards, commercial retail setups, and large-scale civil projects.

Telecom Sector

Vertical 01

Indus Towers

Reliance Jio

4G LTE (Vodafone Idea)

- ✓ **Tower Erection & Civil Foundation:** Ground-based & rooftop lattice tower execution with strict soil testing & rebar standards.
- ✓ **Equipment Setup:** DG Set installation, battery bank integration, and active/passive site commissioning.
- ✓ **Fibre Network (OFC):** Trenching, ducting, and fiber optic cable laying for high-speed network expansion.

EB / Electrical Sector/ Solar/ Ev

Vertical 02

- **Substation Construction:** Civil & electrical installation for HT/LT sub-stations and transformer yard setups.
- **HT/LT Cable Laying:** High-tension and low-tension underground & overhead cable laying with proper trenching.
- 11/33 LT & HT transmission line
- 25kva to 500Kva transformer installation
- **Control Panels:** Switchgear, LT panel board installation, earthing grid setup, and protection testing.
- **Industrial wiring-** Complete electrical power distribution for factories and commercial complex,
- EV charger installation.
- Solar installation .

Railways

Vertical 03

- ✓ **Commercial building Construction:** We are making the complete station in Budni, Madhya Pradesh
- ✓ **Structural Fabrication:** Custom steel structures, store facades, and heavy metal canopy installation.

Photo Remark: Budni station building

Heavy Civil Work

Vertical 04

- ✓ **Earthwork & Excavation:** Site clearing, bulk excavation, leveling, and soil compaction using heavy machinery.
- ✓ **Trench & Duct Fabrication:** Precast RCC duct covers, drainage trenches, and cable ducting structures.
- ✓ **Industrial Sheds:** Heavy PEB structural steel shed construction for warehouses and manufacturing plants.

Photo Remark: Place JCB, Concrete mixer and labours

Client Portfolio

Track Record

Sector / Vertical	Key Clients & Partners	Scope of Execution	Status
Telecom Infrastructure	Indus Towers, Reliance Jio, Vi	Tower Civil Foundation, Structural Erection, DG Setup	✓ Ongoing & Completed
EB / Electrical	State Electricity Boards / DISCOMs	Substation Civil Works, HT/LT Cable Laying, Transformer Setup	✓ Successfully Handed Over
Retail & Commercial	Retail Brands & residential	Managing DG sets / Industrial engine/ Ev charger installation	✓ ongoing
Heavy Infrastructure	Industrial & Infra EPCs	Station building Bulk Excavation, RCC Ducts, PEB Industrial Shed Fabrication	✓ Operational

Safety & Quality

100% Compliant

- 👑 **Mandatory PPE Gear:** 100% compliance with Safety Helmets, Reflective Jackets, Safety Shoes & Harnesses across all sites.
- 🛡️ **Zero-Accident Policy:** Regular toolbox talks, safety induction, and risk assessment before starting critical tasks.
- ✅ **Quality Material Testing:** Rigorous concrete cube testing, steel tensile checks, and certified electrical equipment usage.

Operational Excellence

Key Advantage

100%

On-Time Handover Rate

Why Clients Trust Us

- ✂ **In-House Machinery:** JCBs, Hydras, Concrete Mixers, and specialized tools ready for immediate site mobilization.
- 👥 **Skilled Technical Workforce:** Experienced civil engineers, certified electricians, and safety supervisors.
- 🕒 **Rapid Response Deployment:** Ability to handle multiple site projects simultaneously with zero downtime.

Partner With Us

Ready to deliver excellence in your next Infrastructure, electrical or Civil project.
